

IMPACT PLAN

TIME

Past Inputs

- Research funding
- Researcher existing knowledge
- Facilities & equipment

Past Activities

- Research & development
- New methods
- Collaboration
- Learning
- Experimentation
- Theorising

Future Outputs

- Publications
- Prototypes, artefacts, research datasets, software
- Patents, innovations, products & services
- Methods & processes
- New companies
- Exhibition performance

Future Outcomes

- Postgraduates
- Cited outputs
- Follow-on incomes
- Uptake of device or therapies
- Uptake of tools & instruments
- Media coverage

Future Impacts

- Cultural
- Economic
- Environmental
- Health
- Political
- Scientific
- Social
- Technological
- Training
